China & Asia Textile Forum 2016
March 14th-15th, 2016  Shanghai Marriott Hotel Hongqiao

Summit Background

Textile industry is a traditional industry with rapid changes. The rising labor costs, industrial transfer, internet technology, TPP as well as RCEP have all made a great influence on the Asian Textile and Apparel Industry. For all the textile enterprises, it’s really important to know the latest sourcing trend and developmental situation in some main Asian countries. This conference tries to share and discuss a variety of hot topics to help the insiders to avoid the risks and find opportunities. Meanwhile, it’s also a platform for exchanges, communication and mutual assistance.
