Institute of Chemical Technology

### Institute of Chemical Technology (ICT), Mumbai, India

ICT was India established more than eight decades ago with the noble intention of advancing India's knowledge reserves in chemical science and technology, then known as UDCT. The Institute has growth to become a premier (deemed) university devoted to education, training, research and industrial collaboration in chemical engineering, chemical technology, applied chemistry, pharmacy, biotechnology and bio-processing. The list of achievements of this centre of learning is voluminous and ever since its inception, the Institute has been a fertile breeding ground for some of India's most gifted scientific minds. The Institute's alumni have distinguished themselves in all walks of life, be it in industry, academia, government or public service in India as well as abroad. Some of the rare international honours have been bestowed upon them and some have been role models, serving the nation.

The only public funded Deemed University, initiated by World Bank assisted TEQIP in the country, ICT has international reputation of excellence and enviable record of Industry-Institute- government interaction. Recently Maharashtra Government granted ICT an "Elite Status and Centre of Excellence" with service conditions of the Faculty at par with IIT's. The Department of Fibres and Textile Processing Technology, the "Knowledge Partner of Global Textile Congress, held at Bangkok, Thailand" has been the foremost department of this Portals of Excellence and it has made significant contribution to the Education and Research in Textile and Allied fields.

## Presidential Welcome Address ...

Mr. Arvind Sinha  
National President, TAI

I heartily welcome all of you and delighted to mention that The Textile Association (India) is organizing today 2 days mega World Textile Congress-2.

After the grand success of World Textile Conference 2011 and very successful first-ever overseas 1<sup>st</sup> Global Textile Congress recently concluded at Bangkok, Thailand, The Textile Association (India) is organizing this World Textile Conference-2.

WTC-2 will focus on manufacturing strength of Textile Industry and there would be lot of deliberations by speakers from almost 20 countries who will speak on variety of subjects.

There will be also a panel discussions where all the leaders along with Indian leaders will participate and will provide a great opportunity to know global facts of textile industry.

This will also provide an opportunity to the global participants to get an insight about the international textile scenario of various countries which in turn will highly benefit to textile industry across the world. Most of the participants will also have an opportunity to meet buyers and sellers from various parts of the world.

I thank everyone for supporting TAI in organizing this WTC-2 making a grand success.

## About World Textile Conference-2

Mr. D.R. Mehta  
Imm. Past President, TAI

I sincerely thank Mr. Arvind Sinha, National President, TAI for taking a great challenge and the responsibility in organizing this 2 days mega event. The aim of the conference is to provide an interactive opportunity and to create positive atmosphere where the entire textile fraternity can benefit with the global participants to get an insight about the international textile scenario of various countries and also will have an opportunity to meet buyers and sellers from various parts of the world. Conference will be attended by leading Industry captains, professionals, Garment Manufacturers Association, Central and State Government ministers and supported by officials. About 500 professional delegates from India and abroad are expected to participate in the conference. This two days conference attempts to cover the entire gamut of textile activities. The entire value chain under one roof would positively assist to find ways to resolve current predicament. This mega event will surely boost entire textile, clothing and fashion fraternity to grow business in global market.

I wish a great success.

Mr. R.K. Vj  
Conference Chairman

I sincerely thank Mr. Arvind Sinha and Mr. D.R. Mehta for giving me responsibility as Conference Chairman for this World Textile Conference-2. Concept of this conference has very different than our regular conferences. In this conference we are taking various business models, business ideas and also new directions for the textile industry in years to come and also sincerely possibility for Indian textile industry to lead the world.

We have tried to select the various rich technical papers on various current issues which are being faced by the textile industry. The various topics will be presented by the Indian and overseas eminent speakers which will be very interesting and informative. There will be panel discussions on Indian Textile Industry growth after GST.

I request all the participants to take full advantages of such a high presence of best of talent from the industry.

I once again thank my team of TAI for supporting me all the ways.

#### VISION

To be a leading internationally reputed Association of textile technocrats and professionals promoting scientific and technological knowledge and training globally with benchmark performance as well as commitment to professional ethics and social responsibility.

#### MISSION

To conduct the programmes for textile professionals and technocrats with an aim to achieve their continuous growth and development which will enhance industrial performance in terms of quality and productivity.

To dedicate in spreading the knowledge that can improve the textile, clothing and technical textile industry by conducting special lectures, conferences, seminars, experience sharing activities, holding industrial exhibitions, publishing books, magazines, newsletters, conducting professional examinations and recognizing the achievers.

To Identify and recognize the achievers in the textile related field and sharing their knowledge among the members.

To work unitedly to build India as the strongest textile centre by encouraging the qualified technical and associated staff and workmen to enhance their qualification through professional examinations conducted by the Textile Association.

## About the Textile Association (India)

### OUR OBJECTIVES

The Textile Association (India) has some specific objectives such as:

- To promote the use of scientific knowledge in textiles, from fibers to garments as well as in the technical textiles field.
- To implement programs of continuous education in textile technology and management.
- To help members to acquire textile qualifications by appearing for the standard examination conducted by TAI.
- To honor all those who contribute significantly to the growth of Indian textile industry as well as research and education in this sphere.
- To analyse socio-economic environment for developing strategy for recommendations to government agencies.
- To develop a sense of brotherhood amongst the fellow textile professionals.

### OUR ROLE

The Textile Association (India) provides for professional growth of technologists, managers, traders, researchers, entrepreneurs, teachers and consultants on the Indian textile scene. It caters to the needs of people related to all fibres, products and all sectors of the Indian textile industry. TAI organizes seminars, conferences, workshops, refresher courses and exhibitions of textiles and allied machines for the benefits of the members serving the textile industry. These activities are held throughout the country with the help of all 26 federal Units (chapters), which are autonomous in the activities.

### MAJOR ACTIVITIES

- TAI and its federal Units organize lectures, seminars, workshops and conferences to disseminate useful information on topics of current interest to the members in different segments of the textile industry.
- It publishes the Journal of Textile Association (JTA) devoted to creating awareness about the new work in applied industrial research or latest technological developments in all areas of textiles and management of textile industry.
- It also publishes small booklets and books of practical value for the benefit of the practicing professionals, technologists and managers in the Indian Textile Industry.
- It awards Fellowships (FTA) and Associateship (ATA) to recognize the capability and the contribution of members and also awards Graduate Membership (GMTA) certificate.
- TAI recognizes the achievements and the contribution of an Individual to the growth & development of the Textile Industry through the award of Fellowship (FTA) by application to suitable candidates approved by the appointed committee of the Association.
- TAI honours just two individuals each year by awarding one Honorary Membership to the eminent individual for his/her contribution towards the growth of textile industry and one Honorary Fellowship to the eminent scientist & researcher for significant contribution in the academic field.
- TAI confers the Industry Excellence Award to industry leader who has contributed to the growth & development of the Textile Industry.
- TAI awards a National level Service Gold Medal to an individual member of TAI or Office Bearer in recognition of the services rendered; it also awards service mementos to two individual members in recognition of their services to the Association at Unit level.
- It awards the author of the Best textile book written during the year.
- TAI makes recommendation of policy alternatives to the Government of India and to the Industry at appropriate times.

## About the Textile Association (India)

- It also organizes socio-cultural activities as local level events in each Unit of the association.
- TAI conducts the examinations to grant Diplomas and Certificates of competency to the persons working in the Textile Industry by examination or by application.

### MEMORABLE EVENTS

The Textile Association (India) has organized many events through the various Units affiliated to the Association. Some of the most memorable events held are:

- Till date TAI organized 71 annual All India Textile Conferences (AITCs) and some of them are with Exhibitions at International level. All annual Conferences organized by TAI have always been on contemporary & innovative topics with high profile speakers. Eminent industrialists, policy makers, reputed professionals and renowned experts from different parts of the world have been presenting their papers in such conferences.

- 13<sup>th</sup> International & 71<sup>st</sup> All India Textile Conference was organized by Karnataka Unit on 22<sup>nd</sup> & 23<sup>rd</sup> January, 2016 at NIMHANS Convention Centre, Nimhans Hospital Premises, Hosur Road, Bengaluru, on a very elegant scale. The theme of the Conference were "Functional Textiles and Apparels: Global Requirements and Opportunities". Around 700 delegates attended the Conference.

Most of the Conferences have been inaugurated by the most eminent and dynamic personalities of India like Prime Ministers, Cabinet Ministers, Chief Ministers of the States, Governors, Secretary to the Ministry of Textiles, Govt. of India, Vice Chancellors, etc. The Textile Association (India) is scaling new heights and building better image. TAI has organized the following events successfully.

- TAI organized first World Textile Conference (WTC) in 2011 at Mumbai, which was the best gathering ever witnessed by the Indian textile industry. Apart from familiar faces, the WTC 2011 had academicians, technocrats, leading marketing and export managers and industrialists attending the 2-day conference, which hitherto has not been the case at any of the textile conferences.
- The Textile Association (India) has celebrated its 75th Birth Anniversary, Platinum Jubilee on 9th April, 2014, at Mumbai. Platinum Jubilee Celebration of TAI was great success by all standards and was very largely attended. Nearly more than 350 members were gathered from all corners of India and overseas to participate in this Platinum Jubilee Celebration. Many old stalwarts, members, friends met after many years and reviewed old acquaintances. It was great to note such a mammoth turnout-and one is tempted to glance back into history. Platinum Jubilee, the "glorious journey" of last 75 years was indeed a landmark occasion for The Textile Association (India) who has given yeoman service to all important textile industry and trade. A beautiful and informative Power Point was presentation on Glimpses of Glorious 75 years of TAI with memorable photographs. Also very attractive "a Coffee Table Book", made available on the occasion, documented the journey during last 75 years of Association, which was released at the worthy hands of Chief Guest.

The Textile Association (India) felicitated TAI RATNA Award and Mementoto 70 senior and youth members who dedicated their yeoman services rendered to the association for the growth and development. TAI also remembered their some of the founding fathers like Late Mr. G.N. Vaidya, Late Mr. T.G. Choudhari, Late Mr. D. Ramanna, Late Mr. R.P. Gupta and others those who are not now with us but were felicitated with their next generation.

- On the International front, The Textile Association (India) has been the founder member of the Federation of Asian Professional Textile Associations (FAPTA). National President of The Textile Association (India) is one of the members in International Advisory Committee of FAPTA. Association has organized 1st International Asian Textile Conference (ATC) in 1991 and then 7th

## About the Textile Association (India)

International Asian Textile conference (ATC) in 2003 in New Delhi. Association is also the co-sponsor of India ITME Society and National President is one of the Vice Chairmen on their Steering Committee.

- The Textile Association (India) celebrated their various Milestones;
  - Silver Jubilee in 1964 (25 years) with 12 Units
  - Golden Jubilee in 1989 (50 years) with 25 units
  - Diamond Jubilee in 1999 (60 years) with 27 Units
  - Platinum Jubilee in 2014 (75 years) with 26 Units(2 units merged into 1)
- The Textile association has entered in to MoU with YashwantraoChavan Maharashtra Open University (YCMOU) for the development of textile knowledge among the unskilled industry workers.
- TAI entered into MoU with Indian Textile Accessories & Machinery Manufacturers' Association (ITAMMA) on 05<sup>th</sup> September, 2014. Recognizing the importance of this sector i.e. textile machinery & accessories manufacturing industries and textile professionals, both the associations shall work in co-operation with their members. TAI and ITAMMA shall mobilize industries and ensure co-operation in the fields of joint ventures, trade promotion, technology transfer, training, exchange of information to maximize the outcome of such operation.
- The Textile Association (India) is involved in making the recommendations of policy alternatives to the Government of India and to the Industry at appropriate times. Government Departments started recognizing the Association and inviting the various TAI chapters for the consultation in their policy making process initiated by Ministry of Textiles, Govt. of India.
- The Textile Association (India) TAI has organized 3 days mega Global Textile Congress 2015 with the support of Thailand Convention & Exhibition Bureau (TCEB), during 13<sup>th</sup> to 15<sup>th</sup> February, 2015 at Bangkok, Thailand. This mega event was indeed first of its kind, being held outside the Indian shores from the point of view of Association's history to play leading role and to elevate the image globally. TAI has played very significant role in Indian Textile Industry and got recognized for last many decades. The Global Textile Congress was attended by more than 600 delegates from 18 countries during which more than 60 papers were presented.

### WEBSITE

To add the value to our activities and for proper dissemination of knowledge to its members and Indian Textile Industry as a whole, the association has launched web site and it is fully functional. The website: [www.textileassociationindia.org](http://www.textileassociationindia.org) is organizational website for providing information about association's activities and further details which members may seek from the association. Also it provides knowledge based problem solution techniques to the members and also acts as a hub for textile related information. Website has made significant progress with the help of new Content Management System (CMS), having advertising opportunities along with several informative wings.

Website is having satisfactory visitors traffic with more than 3,05,000 hits since its re-launch back in June 2015 from across the Indian textile industry as well as globally. It has attracted almost all the global players in this industry across 106 countries. With the help Search Engine Optimization (SEO), website ranking has increased remarkably. In

## About the Textile Association (India)

comparison with other 9 competitive journals' website TAI website is on top in ranking. As per the Alexa and Google Analytics website, it has higher marks. Before introducing SEO, global ranking was 11,95,490 and in India 1,16,724 and as on 31-03-2016. Now it is globally 2,69,055 and in India 17,705.

On Advertising Banner, revenue is being generated. We are constantly working on ways to make the website vibrant and more relevant with international look and informative content to every viewer. Now website is also made 'RESPONSIVE', compatible with Mobile Phones, Tablets, Laptops etc. Journal of the Textile Association is available online as e-journal. Presently Website is uploaded with various informative and interesting wings, such as daily updated Corporate News & Industry Updates, Forthcoming Events, PAC Exam details with ATA/GMTA Exam results and previous years' Exam papers, Social Media with content editing, Multiple Language Translators and much more. We have also uploaded Visitors' Flag Counter, which furnishes date wise information on, how many visitors and from which country, have visited the website.

### **JOURNAL OF THE TEXTILE ASSOCIATION (JTA)**

Journal of the Textile Association (JTA) - (ISSN 0368-4636) is a prestigious bimonthly peer reviewed journal, registered with Registrar of Newspapers of India under RNI No. 11386/57 (formerly as Textile Digest). Presently this journal reaches to around 5000 textile professionals directly and has a readership of more than 20,000.

JTA is devoted to articles and papers of practical interest to technicians and managers in Fibre Production, Spinning, Weaving, Knitting, Garment and Chemical Processing of all types of fibres and also Embroidery, Fashion and Lifestyles. Also it projects the new developments in applied industrial research in Technical Textiles, for members and subscribers over last 7 decades.

Now JTA is in the digital version on website. JTA is available online as e-journal (e-ISSN 2347-2537). Although this publication has gone through a process of evolution, the form and the content in which it is presently being published indicates its wide acceptance.

JTA is abstracted by Chemical Abstracts (USA), World Textile Abstracts (U.K.), Texincon and also covered in Indian Science Abstract (ISA), which indicates its international repute. Journal of the Textile Association is an effective tool for strengthening the company's business in India and abroad through advertisements. Corporate news, new product & technology write-ups are also invited to be published in the journal.
