*Mr. DeCarli presenting to the customers in Nagpur*

Mr. Valter De Carli, Regional Sales Vice President, Savio, gave a detailed presentation about Savio’s market leadership in the global markets with special focus on the new generation automatic winder **Eco PulsarS**. The Eco-PulsarS by far is the best automatic winder available in the market today, packed with a number of novel features. He explained the technical superiority of the machine that has revolutionized the concept of winding, with features such as its flexicycle, tension control system and controlled cut system for optimum productivity, suction on demand system for significant power saving. The added features like smart backup station and bobbin stripper help in increasing the overall efficiency of the winder and in saving labour.

*Customers from Nagpur listening attentively*

Mr. Shrikant Gajabi, Sales Director, Savio India, gave detailed information on its range of twisters. Savio twister “**Sirius**” and “**Cosmos**” are very popular in India due to its higher production rates at lower power consumption. Moreover, the machines are capable of running low twist yarns with ease. The Duo Pot twisters and the add-on item, Lycra flyer, for processing Lycra yarn on twister generated lot of interest amongst the audience.

The events at both locations saw an enthusiastic participation of more than 300 customers coming from far distances. Several delegates representing major mills like Raymond, Morarjee, Gimatex, Bhagirath, Pee Vee Textiles, Suryalakshami, Br. Wankhede, Indoworth, Finlays, Visaka Industries, Vardhman, Trident, Anant Spinning, Nahar Spinning, SEL Manufacturing, Oswal Woollen, Sagar Manufacturing, Bhaskar Industries, Wearit, New Bhopal Textile, Moenus, and Hind Spinners, among others, attended the event.

The question and answer session at the end of each event showed the keen interest of the participants in the Savio range of products.
