Solace - a 228-acre planned industrial city near Mumbai.

Ideal for agro-based industries, textile, electrical and engineering industries.

It's a known fact that Mumbai is a major business hub, however, lack of space and necessary infrastructure makes it difficult to run a business efficiently. Now, creating the same ideal environment is Solace Industrial City - a first-of-its-kind 228-acre Planned Industrial City at Wada. It has everything required - a convenient location, world-class amenities and the flexibility to run businesses.

State-of-the-art design and development

The Project Engineering & Infrastructure advisory role is managed by IL&FS Cluster Development Initiative Ltd., the pioneers in developing modern industrial clusters.
Superb Connectivity

Solace Industrial City has been designed to cater to small, medium and large industries. It is located close to the major hubs like Mumbai and Thane and is easily accessible via NH 8 Mumbai-Ahmedabad Highway and NH 3 Mumbai-Agra Highway. To add more convenience there will be a regular shuttle services for Solace employees from Virar Station and Bhiwandi.

Host of unmatched amenities

• D+ Industrial Zone
  - 80% of investment incurred on land, plant and machinery can be claimed through VAT, interest paid on term loan or electricity charges (whichever is less) in 10 years

• Plot sizes range from 25,000 sq. ft. to 1,00,000 sq. ft.

With exceptional designs, amenities and well laid out infrastructure, Solace Industrial City will soon be the most sought after location for every businessman.
The Textile Association (India), Mumbai Unit takes pleasure in announcing an Annual Conference on "Indian Textiles - The Way Forward" on 14th November 2014 at Hotel The Lalit Mumbai, Sahar Airport Road, Andheri (E), Mumbai – 400 059.

The Sessions and the topics selected for this conference are relevant to the current scenario and will be beneficial to the textile professionals. Additionally the galaxy of high profile speakers will further raise the bar of the Conference. We expect over 300 participants comprising senior managers, decision makers and reputed textile professionals to participate in this conference. We are sure that this Conference will receive overwhelming response from the industry.
